### WEATHER REPORT.

INDICATIONS FOR To-DAY .- For the Middle Atlantic States, partly cloudy weather with local rains, variable winds, mostly northeasterly, stationary or lower temperature, rising followed by falling barometer.

THE WEATHER YESTERDAY Was warm and

THERMOMETER YESTERDAY: 6 A. M., 50, 9 A. M., 62; noon, 70; 3 P. M., 72; 6 P. M., 70; midnight, 65. Mean temperature, 64 5-6.

for "La Traviata."

[New York Herald of yesterday.] DR. EDWARD EARICKSON,
secretary Baltimore College of Pharmacy, says:

"I endorse it as an excellent medicine, a good dessitive agent, and a non-intoxicant in the fullest secretary."

DR. EICHARD SAPPINGTON,

[New York Herald of yesterday.]

A suit of three rooms, beginning with No. 15, at the Windsor Hotel, constitutes the present home of the diva. In the parlor a grand piano and several large floral designs are the most conspicuous objects. In the ante-room are more flowers, one piece being a large lyre, and near the side window a low table with foilet-mirror and all the accessories for preparing the feir DR. RICHARD SAPPINGTON,

the of Baltimore's oldest and most reliable physicians, says:

"All who have used it praise its standard virtues, and the well-known character of the house which makes it is a sufficient guarantee of its being all that is claimed, for they are men who could not be induced to offer anything else but a reliable.

Window a low table with foilet-mirror and all the accessories for preparing the fair face and jetty locks of the famous singer for public admiration. In the room beyond were yesterday spread out upon chairs, lounge, and bed, the dresses in which Yiola will be arrayed to-night in "La Traviata."

A BALL DRESS.

In the first scene, which is a ball-room.

In the first scene, which is a ball-room, the dress will be of lemon-tinted satin brecade, the entire front of the skirt covered with two deep flounces of silver tissue, embroidered with white pearl and crystal, edged with a fringe of coral-branched strands, that is also blended in the pattern above. At intervals are placed large red cammellias, with buds and leaves, embroidered in silk on the tissue. Short hip drapertes of brocade are placed high on each side. The back of the skirt is plaited brocade, falling in a long In the first scene, which is a ball-room, ron 255 majority. is plaited brocade, falling in a long train, the edge contined in a sagging puff, over a plaiting of satin of the same shade as the brocade, which extends around the front edge of the skirt also and is filled with roses of all kinds. A drapery of satin extends from the belt to the edge roses tapers downward on the opposite side. The waist is a low pointed bodice of brocade, with a shoulder puff for sleeves and a small red flower embroidered on the lace, matching the skirt, with which the front is trimmed. It tapers to the point, on the left side of which is a spray of roses. The dress for the second scene is
